Making changes

When you experience certain life events, such as having a baby or getting married, you may need to [make changes to your benefits](#) ^[3]. Learn more about what actions you need to take in the case of certain [life events](#) ^[4].

Changing sum insured during the year

You are not allowed to change the sum insured during the fiscal year unless you get married or give birth to or adopt a child. In those cases, you can:

- Marriage: Add your new spouse/partner to coverage
- Birth or adoption: Add your new child to coverage
- If you change from Plan C (employee, parents) to Plan D (employee, spouse, children, parents) and you initially selected the INR 5L Plan, you are allowed to upgrade up to INR 12L Plan.
