CEO Action Pledge

**Sasan Goodarzi**

Chief Executive Officer, Intuit

"Diversity is a fact, inclusion is a choice. Inclusivity is more than just a seat at the table—it's about integrating and valuing everyone's voice."

Integrity without Compromise

For us, integrity without compromise means that we strive to speak the truth and assume the best intent. We value trust, and do the right thing—even when no one is looking.

Commitment to diversity and inclusion means taking meaningful action

Gender Representation

Nearly half of our C-Suite is comprised of women and by FY'23 our goal is to have 35% of tech roles filled by women.

[Give Feedback](#)

Ethnic Diversity

Our goal is to increase representation of Black, LatinX, and other underrepresented minorities to 16% by FY'23.

Pay Equity

As of Aug. 1, 2020, zero job codes reviewed had statistically significant difference between employees of different gender or ethnicity.
